## SUMMARY

---

Versatile and tenacious professional with broad, holistic experience in Azure Cloud Infrastructure, Operations, and Engineering, applying DevOps and Agile methodologies. Focused on achieving project objectives with speed and accuracy.

---

## WORK EXPERIENCE

---

### Wipro Limited

06/2024 - Present

#### Senior Software Engineer

- Leading application migration initiatives from on-premises infrastructure to cloud platforms, focusing exclusively on Azure environments.
- Implemented scalable cloud solutions to ensure seamless transition of mission-critical business applications.
- Developed automation scripts and tools to streamline migration, reduce downtime, and enhance post-migration operational efficiency.
- Collaborated with cross-functional teams to optimize legacy applications for cloud performance, security, and compliance.
- Provided technical guidance, documentation, and training to stakeholders, driving adoption of cloud best practices and DevOps methodologies.

### Accenture

03/2022 - 06/2024

#### Cloud Infra Transformation Analyst

- Experience in Designing, Implementing IaC of Azure-based solutions.
- Collaborated with cross-functional teams to design and deploy scalable, secure, and high-performance cloud architectures.
- Implementation of CI/CD pipelines for Infrastructure deployment, utilizing Azure DevOps.
- Collaborated with security teams to implement and enforce security best practices and compliance standards using Azure Policy Enforcement.

### Mindtree

11/2018 - 03/2022

#### Software Engineer

- Create, Manage and Maintain Compute, Storage and Virtual Network on Azure Cloud.
  - Deployment and Configuration management of IoT Compute resources using Azure DevOps and Ansible.
  - Experience in PaaS services like Azure IoT, configured and maintained Edge servers and its modules.
  - Collaborated with cross-functional development team members to analyze potential system solutions based on evolving client requirements.
- 

## EDUCATION

---

### Global Academy of Technology

07/2018

Bachelor of Engineering, Electronics and Communication

---

## SKILLS

---

- |                   |                  |
|-------------------|------------------|
| • Microsoft Azure | • GitHub Actions |
| • Terraform       | • Shell/Bash     |
| • Azure Devops    | • Docker         |
| • Ansible         | • Kubernetes     |
- 

## CERTIFICATE

---

**AZ-400: Microsoft Certified DevOps Engineer Expert**

**AZ-104: Microsoft Certified Azure Administrator Associate**

**DP-900: Microsoft Certified Azure Data Fundamentals**
